

Bioacoustics Stack Exchange (BSE) is in the private **BETA** proposal stage...

We have **2 WEEKS** and we **NEED YOUR HELP** to prove we have the community to support a permanent Q&A site!

[Informational Video Here!](#)

- **JOIN** the community at bioacoustics.stackexchange.com
- **VISIT** and **VOTE**
 - Check in on the site regularly and vote on questions and answers that are relevant and useful
- **ASK** and **ANSWER**
 - Ask about anything bioacoustics related
 - Share your expertise where you are able
 - Ask and answer your own question for something you struggled with, solved, and think might help others
- **DISCUSS** the proposed site at the Meta page – bioacoustics.meta.stackexchange.com to suggest features and get help
- **SHARE** the site with your lab group, on social media, and with collaborators
